Herbert came to BROOD as a thin, starved dog, with a sad tattered ear and a severe ear infection. He is now gaining weight and searching for a loving forever home. →

← Lola was terribly thin and heartworm positive when she came to BROOD.

Your pledge will help these pups start a new life.

Remember to bring Pledge Sheet and all collected pledge money with you to the Ramble!  
 Use back of form or attach a second sheet if you need more space. Money goes to **BASSET RESCUE OF OLD DOMINION**, a 501(c)(3) non-profit corporation for needy bassets. Only money submitted at the Ramble will count toward eligibility for prizes.
