You Make the Difference!

Basset Rescue of Old Dominion (BROOD) is an all-volunteer organization that was founded in 1996. In the past 26 years, BROOD has rescued over 3,370 hounds that were lost or surrendered to shelters and found permanent adoptive homes for them. BROOD works with veterinarians, shelters and BROOD foster homes in five states and the District of Columbia. While providing medical and temporary custodial care for homeless bassets is part of our mission, placing bassets in loving, permanent adoptive homes is our primary goal. Donate to BROOD today and help us save these wonderful hounds!
